

Dear Donors

Devoted 2 Healing Inc.'s Unity Garden Farm has been servicing the community for the last three years, we service low-income Seniors, Veteran, and Disabled Adults for free.

Our Community is facing challenges from the pandemic, some can't leave their home, last year we delivered to 10 families, not including the ones that came out to the garden.

Devoted 2 Healing Inc., needs your support with Soil, Flowers, Vegetables, and raised beds.

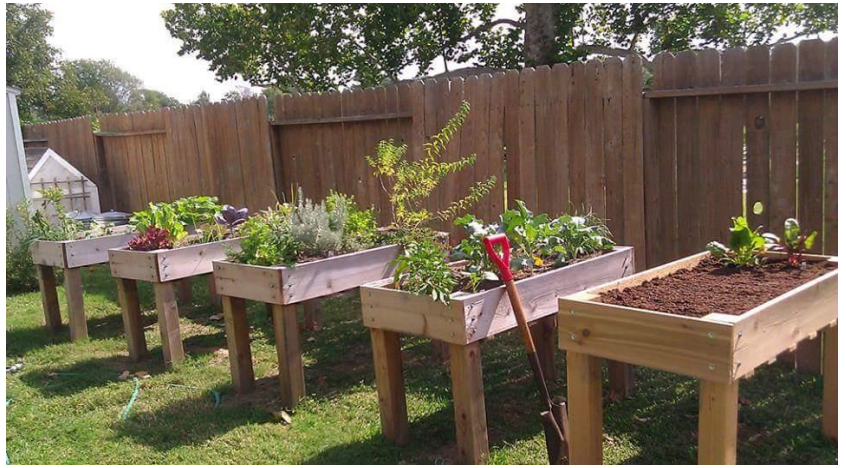

Thank you in advance for your contribution. Your donation will go toward helping our community.

Thank you again!

Sincerely,
